

Jared J. Beck

Department of Botany ▪ University of Wisconsin-Madison
430 Lincoln Drive ▪ Madison, WI 53706
Website: jaredjbeck.github.io
Email: jbeck6@wisc.edu

EDUCATION

- 2016 – present **Ph.D. Botany – University of Wisconsin-Madison.** Quantitative Methods minor. Dissertation: *Factors shaping the distribution, abundance, and diversity of temperate forest plants.*
- 2010 - 2014 **B.A. Biology – Carleton College.** Graduated *magna cum laude* with Distinction in major. Thesis: *Phylogenetic community structure and the functioning of ecosystems.*

EXPERIENCE

- 2017 – present **National Science Foundation Graduate Research Fellow**, University of Wisconsin-Madison.
- 2016 - 2017 **Teaching Assistant**, University of Wisconsin-Madison. Laboratory Instructor for Zoology 151; instructor of record for 3 lab sections (~60 students each term); assisted curriculum development.
- 2016 **Off-campus Studies Instructor**, Carleton College. Teaching Assistant for ecology program in Australia/New Zealand; coordinated program logistics, coursework, & student research projects.
- 2015 - 2016 **Educational Associate**, Carleton College. Mentored 10 student researchers; assisted with biology courses; led prairie vegetation surveys; managed data for 4 long-term research projects.
- 2014 - 2015 **Research Technician and Lab Manager**, Chicago Botanic Garden. Supervised 19 volunteers and 5 student interns; developed tools for data management, visualization, and analysis in R.
- 2013 - 2014 **Research Assistant**, Carleton College. Conducted prairie vegetation surveys, soil nutrient assays and statistical analyses; managed 3 long-term data sets; assisted with TORCH outreach program.
- 2013 **Teaching Assistant**, Carleton College. Coordinated two weekend field trips; assisted students with field work and helped design class research projects; reviewed student research papers.
- 2012 - 2014 **Arboretum Research Assistant**, Cowling Arboretum, Carleton College. Conducted species monitoring and breeding bird surveys; authored forest inventory report; managed databases.
- 2010 - 2014 **Cole Student Naturalist**, Cowling Arboretum, Carleton College. Designed tree identification pamphlet; led natural history walks and presentations for students and community members.
- 2010 - 2013 **Arboretum Crew**, Cowling Arboretum, Carleton College. Assisted with invasive species removal, habitat restoration, seed collection, prescribed burns, and other management tasks.

PUBLICATIONS

1. **Beck, J.**, D. Hernández, J. Pasari, & E. Zavaleta. 2015. Grazing maintains native plant diversity and promotes community stability in an annual grassland. *Ecological Applications* 25:1259-1270.
2. **Beck, J.**, M. McKone, & O. McMurtrey. 2016. Edge effects and avian community structure in a restored tallgrass prairie. *Natural Areas Journal* 36:328-333.
3. **Beck, J.**, B. Larget, and D. Waller. 2018. Phantom species: Adjusting colonization and extinction rates for pseudo-turnover. *Oikos* 127:1605-1618.
4. Wagenius, S., **J. Beck** & G. Kiefer. Burning for a mate: Fire synchronizes flowering and boosts reproduction in a widespread but declining prairie species. *In review*.

PUBLICATIONS (CONTINUED)

Manuscripts in preparation:

5. **Beck, J.** and T. Givnish. Fine-scale environmental heterogeneity drives spatial niche partitioning among spring-flowering forest herbs. *In preparation.*
6. **Beck, J.** Variation in the strength of plant-soil feedbacks among temperate forest herbs. *In preparation.*
7. McKone, M., E. Williams, and **J. Beck**. Changes in a planted prairie community across a chronosequence sampled over 16 years. *In preparation.*
8. Waller, D., **J. Beck**, A. Paulson, J. Richards, R. Toczydlowski, D. Li, G. Sonnier, S. Johnson, D. Rogers, T. Givnish, K. Cameron, and K. Sytsma. Dimensions of biodiversity change in temperate forests. *In preparation.*
9. **Beck, J.**, A. Salvi, and R. Henderson. A coexistence conundrum? Examining the comparative physiology and spatial distribution of co-occurring congeners, *Hylodesmum glutinosum* and *H. nudiflorum*.
10. **Beck, J.**, D. Li, S. Johnson, D. Rogers, A. Ives, T. Givnish, and D. Waller. Spatial and phylogenetic scale mediate the influence of functional traits and phylogenetic relationships on plant community assembly. *In preparation for The American Naturalist.*

POSTERS AND PRESENTATIONS

1. **Beck, J.**, S. Wagenius & G. Kiefer. *Turning up the heat: Prescribed fire and the reproduction of Echinacea angustifolia*. Society for Ecological Restoration, Midwest-Great Lakes Conference, March 28, 2015.
2. **Beck, J.**, S. Wagenius & G. Kiefer. *Fire promotes reproduction in the fragmented mating scene of Echinacea angustifolia*. Ecological Society of America Conference, August 14, 2015.
3. **Beck, J.** and D. Waller. *The phantom species problem: Accounting for pseudo-turnover in analyses of long-term ecological change*. Riveredge Nature Center Research Symposium, November 4, 2017. *Awarded Best Graduate Student Presentation.
4. **Beck, J.** *Using functional traits and phylogenetic relationships to uncover the scale-dependent processes shaping plant communities*. Department of Botany, UW-Madison. December 14, 2018.
5. **Beck, J.** and B. Bowser. *Contagious trees? Exploring patterns in the distribution of temperate forest trees*. UW-Madison Arboretum Research Symposium. February 14, 2019.

OTHER POSTERS AND PRESENTATIONS

1. Wagenius, S., **J. Beck** & G. Kiefer. *Good years and good days: Mating synchrony at multiple temporal scales in a long-lived organism*. Ecological Society of America Conference, August 14, 2015.
2. McKone, M., **J. Beck** & D. Hernández. *Experimental community assembly with and without dominant grasses in tallgrass prairie. I. Effect on plant community structure at multiple scales*. Ecological Society of America Conference, August 10, 2016.
3. Hernández, D., **J. Beck** & M. McKone. *Experimental community assembly with and without dominant grasses in tallgrass prairie. II. Ecosystem consequences*. Ecological Society of America Conference, August 10, 2016.
4. Waller, D., **J. Beck**, & B. Larget. *Phantom species: Can we estimate pseudo-turnover?* American Society of Naturalists Meeting, January 7, 2018.

INVITED TALKS

1. **Beck, J.** *What grassland birds can teach us about restoring prairie ecosystems*. Hosted by Northfield, MN chapter of The WildOnes and the Carleton College Cowling Arboretum. January 11, 2012.
2. **Beck, J.** *Plant biodiversity*. Environmental School, Wisconsin Garden Club Federation. September 21, 2018.

AWARDS, HONORS, AND FELLOWSHIPS

2019	Graduate Student Research Award, University of Wisconsin-Madison Graduate School
2019	John Thomson Research Award, Wisconsin Botanical Club
2019	Arboretum Research Fellowship, University of Wisconsin-Madison Arboretum
2019	Davis Research Award, University of Wisconsin-Madison Department of Botany
2019	Demeter Summer Research Award, University of Wisconsin-Madison Department of Botany
2018	Graduate Student Research Award, Botanical Society of America
2018	Davis Research Award, University of Wisconsin-Madison Department of Botany
2018	Demeter Summer Research Award, University of Wisconsin-Madison Department of Botany
2018	Kenneth Raper Travel Support Award, University of Wisconsin-Madison Department of Botany
2016	Graduate Student Support Grant, Wisconsin Alumni Research Foundation
2016 – 2020	National Science Foundation Graduate Research Fellowship
2014	Scott Tyler Bergner Prize, Carleton College
2013	Great Lakes STEM Scholarship
2013	William Muir Fellowship, Carleton College
2012	Exceptional Writing Portfolio, Carleton College
2012	Dean's List, Carleton College
2010 - 2014	Mead Witter Foundation Scholarship
2010 - 2014	Frederick J. Hilgen Scholarship
2010	Richard Cass Art of Writing Scholarship

PROFESSIONAL TRAINING

2016	Diversity and Equity Training, University of Wisconsin-Madison
2017	Software Carpentry Workshop, University of Wisconsin-Madison
2018	S-130/S-190 Wildland Fire Certification (40+ prescribed burns)

TEACHING EXPERIENCE

2016 - 2017	Lab Instructor, Introductory Biology, University of Wisconsin-Madison
2016	Off-campus Studies Instructor, Ecology & Evolution in Australia/New Zealand, Carleton College
2015	Lab Instructor, Ecosystems Ecology, Carleton College
2013	Teaching Assistant, Natural History of Minnesota, Carleton College

UNDERGRADUATE MENTORING EXPERIENCE

2019: B. Bowser, C. Kestel, R. Nelson, K. Hobbins (UW-Madison)
 2018: B. Bowser, G. Quirk (UW-Madison)
 2016: A. Braeidy, R. Faust & G. Schmitt (Carleton College)
 2015: D. Vail, J. Pruszenski, C. Shorb, L. Pflughoeft, M. Vought, & J. Krumholz (Carleton College)
 2014: I. Lin, T. Kuhn & A. Petersons (Lake Forest College); J. York & E. Velis (Carleton College)

PROFESSIONAL SERVICE

2017: National Science Foundation Graduate Research Fellowship Panelist, UW-Madison
 2017: Student Panelist for Departmental Review, UW-Madison Department of Botany
 2018 – 2020: Awards Committee, UW-Madison Department of Botany
 2019 – 2020: Space and Facilities Committee, UW-Madison Department of Botany
